TO THE TAXPAYERS

The law requires that your collector shall collect interest at 10% after December first. I don't like this interest any better than you do. Try and pay your taxes before December first and avoid this high rate of interest. Try my suggestion of last year, by using the partial payment plan; it may be easier for you.

Respectfully submitted,

FRANK T. DAVIS,
Tax Collector.

ARTHUR CORNEAU	FRED SCHNEIDER
WILLIAM HAZELTINE	T. T. GOODWIN
KARL KENNEY	WILLIAM B. TUCKER

As we go into the 1942 forest fire dangers may we remind you that we are facing greatly increased hazards, such as the loss of man power, due to many away on defense work and in the Army and Navy. We face great danger from incendiary fires, and we have lost the assistance formerly rendered by our Forest Fire Groups and the C. C. C. Camps. Therefore, it is imperative that we be better organized, equipped and ready to hit quicker.

Please note: Everyone MUST obtain permits to burn BEFORE burning takes place near woodlands or where fire may be communicated to woodlands, and please bear in mind that people starting fires unlawfully have to bear the expense incurred as well as being liable to court action.

We wish to thank town officials and the townspeople as a whole for their splendid, hearty and efficient cooperation during the year of 1941 and we ask that you again remain ready and willing to render the same valuable service and cooperation throughout 1942.

Please report all forest fires immediately. An early arrival at the fire is urgent.

Forest Fire Warden and Deputies.

MINOT-SLEEPER LIBRARY—REPORT OF TRUSTEES

With a donation of $200 for books and a legacy of $500, the year has been one of special significance.

Through the thoughtfulness of Paul D. Caskey, a trustee of the residuary trust formed under the will of Mrs. Agnes M. Lindsay, the Minot-Sleeper library received a gift of $200 with the expectation that the amount be used for the purchase of books.

The will of Austin H. Roby, who died in Malden, Jan. 7, 1941, included the following bequest:

"I give and bequeath to the Minot-Sleeper library at Bristol, N. H., the sum of $500, such funds to be used each year for the purchase of new books for said library, provided, however, that if present library is enlarged, one half or the whole of this bequest may be used to help such construction costs; if the trustees so desire. This bequest to be accepted by said library and to be known as the Maude Gordon Roby Fund; given by me as a tribute to and in memory of my wife, who, as Maude Gordon, served as the first librarian of said library, when she was seventeen years of age."

The check for the above mentioned $500 has been received and is now in the hands of the treasurer and will be included in the report and audit next year.

Mr. Roby still further remembers this library with the following additional bequest: "I give and bequeath to the Minot-Sleeper library in Bristol, N. H., thirty percent (30%) of the cash residue of my estate; the amount of such bequest to be held in trust by the trustees of said library and to be known as the Austin H. Roby Bequest, and same, with all accrued interest thereof, shall be added to and become a part of the Building Fund to provide an addition to the present building; but to be so used only

when a further amount shall be fully subscribed to provide the needed, sufficient funds to pay in full the total costs of such an addition to the Minot-Sleeper library building in Bristol, N. H., as shall be determined by the trustees of said library and shall cause to be constructed."

No money from this residue has yet been received, but it is expected that a moderate amount may arrive under the above stipulations.

It is gratifying to the trustees and all interested in the library that some thought is being given to the great need for increased room in the library, not only for books, but for the curios which from time to time are being donated and would be increased if space permitted.

Frank E. Keyser again contributes to the curios; and Benjamin I. White makes a valuable donation of articles connected with the first telephone and telegraph in the town of Bristol. Most of the articles he salvaged from obsolete equipment which came into his possession when he acquired the telephone plant from George A. Robie, the first person to install such a service in Bristol. The gift also includes some part of the telegraph service, which Mr. White took over from Charles H. Dickinson. This collection is nicely catalogued.

For all these gifts to the library, as well as for the few books, magazines and newspapers which have been contributed by individuals, the trustees are duly grateful.

This library has benefitted this year from the Bookmobile of the New Hampshire Library commission. It arrives in Bristol about every six weeks, leaving books which materially help in the circulation. The patronage of the State Library, through the local library, is also on the increase.

The librarian has cooperated in the Victory Book campaign, and has shipped two boxes of books received for the service men to the state headquarters.

Ever mindful of the special benefit the townspeople receive from the Minnie Maria Day—Jackson fund, we

acknowledge the following magazines in the reading room: Atlantic, Better Homes & Gardens, Child Life, Christian Century, Cosmopolitan, Dumb Animals, D. A. R., Good Housekeeping, Ladies' Home Journal, National Geographic, Popular Science, Popular Mechanics, Readers' Digest, Radio and Modern Mechanics and Inventions, Nature, Boys' Life, Time, Mechanics Illustrated, Life, American, American Girl, Hobbies, Jack and Jill.
